Out on

**EASY  
MONEY!**

**REEL RECYCLING**

# Getting Started is as Easy as 1-2-3!

- 1 Accumulate a load of reusable CommScope reels.
- 2 Call the CommScope Reel Recycling Coordinator at 1.800.982.1708 (extension 2545) for assistance in establishing a customized recycling program.
- 3 Recover dollars associated with overall cable costs.

# East to West... CommScope Trucks Are Ready for Quick Reel Pick-Ups

CommScope is better equipped to serve cable companies like yours with Reel Recycling Centers on both sides of the map!

Whether your load consists of reusable CommScope knocked down or assembled reels, wooden flanges, metal reels or a truckload of ReelSmart<sup>®</sup> composite reels, our Reel Recycling Coordinator customizes a program to fit your needs.

Please call \_\_\_\_\_ # hours before pickup

**For CommScope use only:** Order # \_\_\_\_\_

# Start Recycling CommScope Reels Today!

## Here's Why...

- **It's Free!** CommScope provides this service at **NO COST** to customers – pick-up and transportation are **FREE!**
- **Reduces Overall Cable Costs!** Upon returning reusable reels or flanges in good condition, your company receives credit towards future cable purchases.
- **It's Easy!** One contact coordinates all used CommScope reel pick-ups.
- **Reclaim Valuable Yard Space!**
- **It's Simple!** Getting started is simple – call 1.800.982.1708 (extension 2545) today.
- **Environmentally Friendly!** Reduces landfill use and promotes quick site clean-up in your area. Our efforts have already resulted in hundreds of millions of pounds of lumber being reused multiple times.

# Easy, Efficient and Ecological!

Talk with our CommScope Reel Recycling Coordinator today to set up a recycling program that's right for you.
